

## Hon'ble Chief Minister inaugurates OCL India Plant

The OCL India plant (formerly Orissa Cements) was inaugurated by Hon'ble Chief Minister, Mamata Banerjee on 14.07.14 near Sardiha in West Midnapore. OCL India, an associates of Delhi based Dalmia Bharat Group kick started its production in the plant with the inauguration. OCL is investing Rs.615 crore for the cement grinding unit, which has a capacity of two million tones per annum and an employability of over 2000 people. The project has been completed in three years time and is the largest project undertaken by OCL India outside Orissa since its inception.
