WEST BENGAL GAS GRID

WBIDC is negotiating with GAIL for laying of a Gas Grid in West Bengal. GAIL has assessed a minimum availability of 16million cubic metres of gas per day by end 2012. For entering into a MOU with GAIL, WBIDC would need to know the quantum of gas required by potential industrial users.

WBIDC invites inputs from industrial users of gas regarding their requirements at the following locations:

**Raghunathpur (Purulia), Raniganj, Durgapur, Panagarh (Burdwan),
Salboni, Kharagpur (Paschim Medinipur), Haldia (Purba Medinipur)
and Barjora (Bankura)**

The information may be addressed to Managing Director, West Bengal Industrial Development Corporation Limited, 5, Council House Street, Kolkata - 700001 or e-mailed to manish.jain@wbidc.com or atonu.chatterjee@wbidc.com by 13th July 2010.

The price of gas, availability and other terms and conditions would be worked out between GAIL and the users subsequently.
