Fax: 033-2359-2370
E-mail: directorswid@gmail.com**

**GUIDELINES TO THE APPLICANT FOR GETTING PERMIT FOR
ABSTRACTING GROUND WATER IN WEST BENGAL THROUGH
SINGLE WINDOW CLEARANCE FOR LARGE SCALE INDUSTRIES:**

- The application should be submitted to the Geologist & Member Secretary, District Level Ground Water Resources Development Authority (DLGWRDA) of the concerned District.
 - ❖ Submission of filled up **Form 1** along with the **requisite documents** along with the **prescribed fee** has to be paid in Government Head of Account “**0702-80-800-OTHER RECEIPTS-002-Other Items – 27-Other Receipts**”(CODE 0702-80-002-27).
 - ❖ The following particulars are available in the Website
 - FORM 1
 - Requisite Documents
 - Prescribed Fee
- After clearance from the State Level Ground Water Resources Development Authority (SLGWRDA) and subsequently from **High Level Inter Departmental Committee (HLIDC)** intimation to the applicant will be issued by the Member Secretary, DLGWRDA within the time line in **Form -2**.
- The applicant will have to submit Form 3 along with prescribed fee for awarding PERMIT

Application Fee:

The application fee referred to in sub-rule (1) shall be paid by Challan to the Treasury link bank or the Reserve Bank of India or any duly authorised Public Sector Undertaking Bank under the Head of A/C "0702-80-800-OTHER RECEIPTS-002-Other Items-27-Other Receipts" (Code : 0702-80-800-002-27).

Sl. No-	Discharge range of well for which permit is sought for.	Non-refundable fee for filing application for obtaining permit for sinking well. (Rs.)	Non-refundable fee after acceptance of application. (Rs.)
(1)	(2)	(3)	(4)
1.	When the discharge range is upto 30m ³ /hr.	500.00	1000.00
2.	When the discharge range exceeds 30m ³ /hr. upto 50m ³ /hr.	1000.00	2000.00
3.	When the discharge range exceeds 50m ³ /hr. upto 100m ³ /hr.	1500.00	3000.00
4.	When the discharge range is above 100m ³ /hr.	2500.00	5000.00

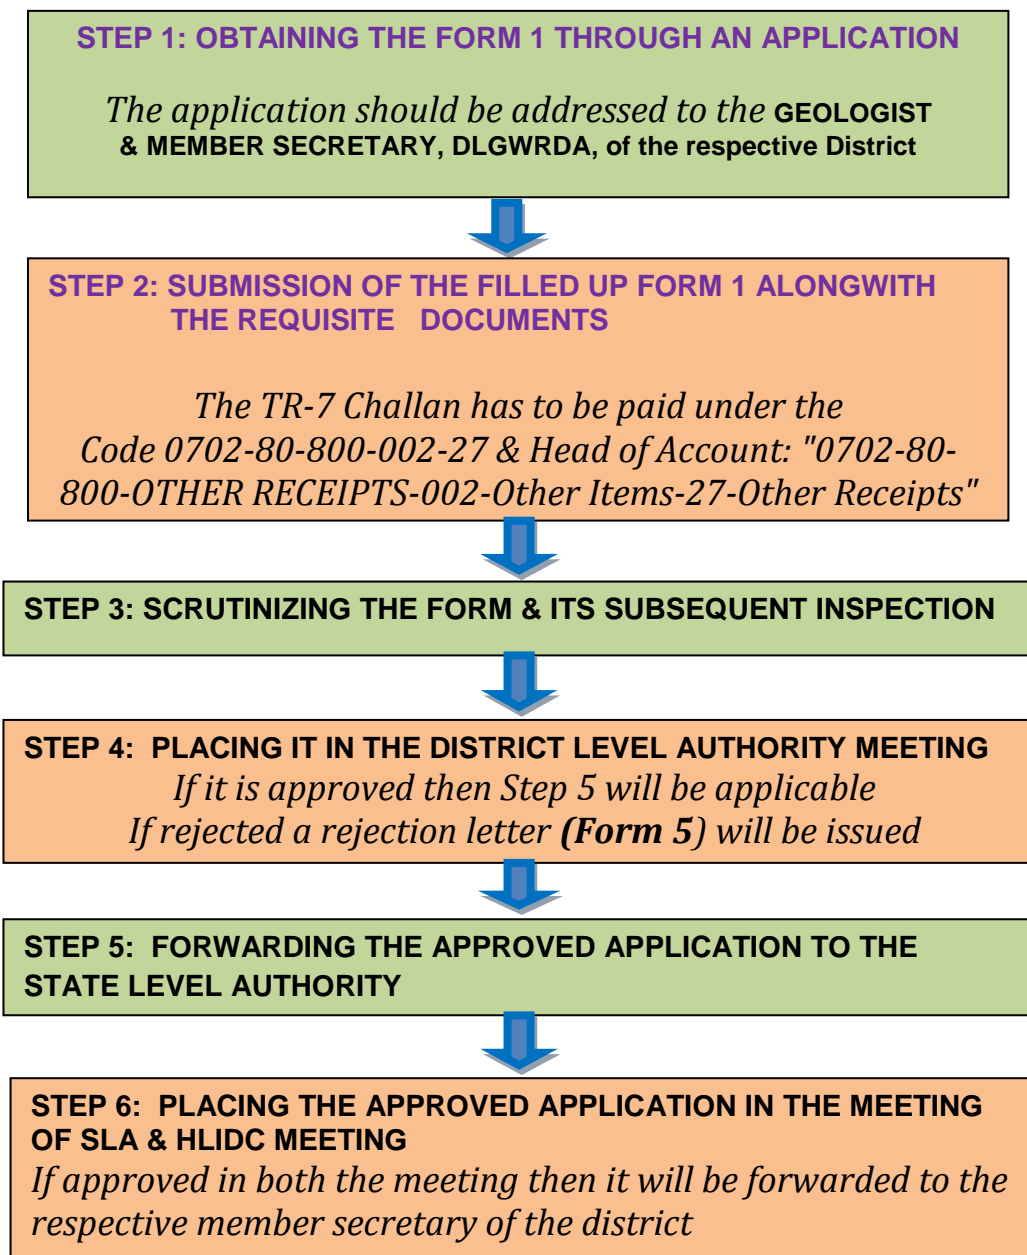

Fee for Appeal:

A user may prefer an appeal to the appellate authority under the Act on payment of such fee as specified in column (3) of Table below, on the basis of category of discharge range of the well as mentioned in column (2) of the said Table :—

Sl. No.	Discharge range of well for which Permit / registration is sought for.	Appeal fee (in Rs.)
(1)	(2)	(3)
1.	When the discharge range is upto 30m ³ /hr.	500.00
2.	When the discharge range exceeds 30m ³ /hr upto 50m ³ /hr.	1000.00

3.	When the discharge range exceeds 50m ³ /hr upto 100m ³ /hr.	1500.00
4.	When the discharge range is above 100m ³ /hr.	2500.00

STEPS FOR OBTAINING THE PERMIT IN ACCORDANCE TO THE GROUND WATER ACT 2005

STEP 7: ISSUANCE OF FORM 2 FROM ISSUING AUTHORITY & SUBSEQUENT SUBMISSION OF FORM 3 BY THE APPLICANT ALONGWITH TR-7 CHALLAN AS PER REQUISITE FEE

STEP 8: RECEIPT OF THE CERTIFICATE OF PERMIT (FORM-4)

➤ **TIME LINE FOR VARIOUS ACTIVITIES TO ACT UPON THE APPLICATION**

- ❖ Geologist & Member Secretary, DLGWRDA will prepare the inspection report and submit to the DLGWRDA within 21 days and the same will have to be processed in Monthly meeting of DLGWRDA.
- ❖ Superintending Geologist & Member Secretary, SLGWRDA will submit to the SLGWRDA within 21 days and the same will have to be processed in Monthly meeting of SLGWRDA.
- ❖ The application will be placed to the High Level Inter Departmental Committee A or B which will take 21 to 30days maximum to take decision.
- ❖ As soon as clearance is obtained from HLIDC, intimation in Form 2 will be given by the Member Secretary, DLGWRDA within next 3 working days with the instruction to submit Form 3 with requisite fee within 30 days.
- ❖ If Form-3 is received, **Form-4** (Certificate of Permit) will be kept ready for handed over to the applicant.
- ❖ If rejected, **Form-5** will be issued.

➤ **REQUISITE DOCUMENTS TO BE SUBMITTED ALONG WITH THE APPLICATION (FORM-I)**

1. Proof of ownership of land.
2. Land conversion document.
3. Registered Power of Attorney in favour of the applicant, in case of the plot of land where the proposed well is to be constructed belongs to more than one persons.
4. Photo ID proof of the concern authority of the Industry.
5. PAN card issued in favour of the Industry.
6. Detail Project Report mentioning water demand, proposed volume of ground water to be withdrawn, volume of water expected to be supplied by pipe water/surface water to meet out requirement.
7. Proposals for water conservation structure, waste water treatment plant if any.
8. Mouza Map showing location of the proposed well.
9. If required, EIA (Environmental Impact Assessment) Report / Hydrogeological Report.
10. Environmental Clearance.
11. Trade Licence from concerned authority.
12. Chemical test report of the nearby tube well/s mentioning depth of the well, strainer position, diameter, date of sample collection, date of analysis etc. from BIS approved Lab.
13. Registration related documents of the Industry.

14. Scanned copy of the Challan of the Treasury link bank/RBI/ any dully authorized public sector undertaking bank.

**Guiding principles of the Irrigation & Waterways Department,
Government of West Bengal in regard to granting
permission to the industries for drawal of
surface water**

1. Enclosed check list is to be filled up by the company seeking permission for drawal of surface water from dam / barrage / canal / river.
2. Damodar Valley Reservoir Regulation Committee (DVRCC) is the competent authority to allocate water from Damodar / tributaries within the State of West Bengal up to Durgapur Barrage.
3. NoC from Kolkata Port Trust is a mandatory at the time of application in case of drawal of water from river Bhagirathi-Hooghly.
4. All cases relating to permission of drawal of ground water are to be processed through District Level Authority / Corporation Level Authority / State Level Authority as per provisions of prevailing Acts.
5. For perennial river / channels and those in tidal zone, drawal of water throughout the year may be permitted subject to technical evaluation and policy of prioritization of the State Government.
6. Drawal of surface water for all other cases may generally be permitted during monsoon months with one / two months, thereafter, depending on the case specific availabilities, again subject to technical evaluation and policy of prioritization of the State Government.
7. Drawal of sub-surface water from riverbed for non perennial rivers, during non-monsoon months will not normally be permitted.
8. Companies, in such cases (stated in Sl.5 above) are advised to make any one / both arrangement(s).
 - a. To recycle the water after treatment;
 - b. To create storage for non-monsoon months within its own premises;
 - c. To formulate alternative scheme for rainwater harvesting.
9. Companies making arrangements as stated in Sl.8 above would get priorities during allocation of water.

10. Final in-principle clearance for drawal of surface water and its allocation would be accorded after;
 - a. Obtaining in-principle recommendation of Director of Industries / West Bengal Infrastructure Development Corporation (WBIDC) to the proposed requirement, to be sought by the Irrigation & Waterways Department.
 - b. Obtaining in-principle recommendation of the High Level Committee headed by the Additional Chief Secretary, Commerce & Industries Department, to be sought by the Irrigation & Waterways Department.
 - c. Vetting of intake arrangement by the Irrigation & Waterways Department.
11. Memo of Understanding (MoU) regarding mode and quantum of payment of tariff is to be made by the concerned Company with the Irrigation & Waterways Department within 6 (Six) months of receipt of in-principle clearance.
12. Actual water utilization by a Company will be reviewed by the Irrigation & Waterways Department after every five year to assess redistribution / fresh allocation, if required.
