Dear *Shri Paswanji,*

The good tidng of the Union Cabinet according approval to West Bengal PCPIR reached me last evening. I am indeed very happy.

In same breath, I express my heartfelt thanks to you and to your Ministry for your support and guidance all through, in order to establish our proposal of PCPIR to a reality. This will not only help West Bengal, but the entire Eastern region of our country, both socially and economically.

I am hopeful that in the days to come, we will continue to receive your support to develop and strengthen the economy of this region. I thank you once again.

With kind regards,

Yours sincerely,

Nirupam Sen
