Reply of Pre Bid Queries

Re: Supply of Materials, Installation & Commissioning of Centralised Gas Bank in Manikanchan Sez - the Gem & Jewellery park

.S.L No	Queries raised in the meeting	WBIDC's Reply
1	Electrical connection for installation and commissioning of Gas bank.	Necessary Electric Power may be used from WBIDC's meter for installation and commissioning of Cylinder manifold gas bank subject to payment of the cost of the power. Agency may however, apply to WBSEDCL for temporary connection with the approval of WBIDC.
2	Works to be done	The selected Agency will arrange Supply of Materials, Installation & Commissioning of Centralized Gas Bank (Cylinder Manifold) along with Meter, Riser Pipes, Header Pipes, Laying of Pipe Line for Gas Supply to the Modules and Civil Works like Construction of Cylinder Room, Doors, fencing etc etc as may be necessary to have a fool-proof system at Manikanchan SEZ
3	Quality of material for the job.	All the material to be used for the job should conform to IS code no 6044(Part 1) & (Part 2) as amended up to date by Bureau of Indian Standards and WBF&ES Dept. Gov. of WB.
4	Layout and Design of Gas bank.	All Plans and lay out of the Gas bank shall be vetted by WBF&ES, GoWB.
5	Payment of bill for the job.	80% of the total cost will be paid after supply of materials, installation and testing of the Gas Bank. 10% of it will be paid after commissioning and balance 10% will be paid after completing of the Guarantee Period.
6	Statutory dues, Caution money and supply of filled in gas cylinders for commissioning of gas bank.	Procurement of all permissions, safety & clearance certificates from concerned Authorities are within the scope of the work. However WBIDC will reimburse the security deposit for supply of filled-in cylinders with gas for commissioning the gas bank to appropriate authority.
