NIQ– for Installation of Fountain at Milan Mela

## Section C

### Definitions

- The Company shall mean West Bengal Trade Promotion Organization (WBTPO)
- The Contractor/ Agency shall mean the party in whose favour the work will be done
- Engineer-in-charge shall mean the Owner's authorized Engineer to operate the contract from technical point of view

## Section D

### General Conditions of Contract

- 1.1. Immediately on acceptance of Company's Order, the successful bidder will submit Bank Guarantee. This Bank Guarantee will be valid up to final completion of commissioning of the system and the Defect Liability period thereafter. Validity of BG will be extended, if required if vendor fail to complete works as per contractual handover date. BG will be released only after successful completion of the Order commitment and production of "No Demand Certificate" from the Engineer-in-Charge. Bank Guarantee Format is attached as Annexure-II
- 1.2. The Vendor will be liable to maintain the work at working portion at the appropriate service level to the satisfaction of the Engineer-in-Charge at his own cost for a period of **6 months** from the date of completion of the work. If any defect/damage is found during the period as mentioned above; contractor shall make the same good at his own cost to the specification at par with instant work. Failure to do so, penal action against the Agency will be imposed by the Department as deem fit. The Agency will have to quote his rate considering the above aspect.  
Also the Prospective Bidders shall have to execute the work in such a manner so that appropriate service level of the work is kept during progress of work and a period of 6 months from the date of successful completion of the work to the entire satisfaction of the Engineer-in-Charge who may only then consider for release of part "Security Deposit"/ Full security deposit after 6 months from the date of full completion of the work at the appropriate satisfaction of Engineer-in-Charge.  
**No interest would be paid on the Performance Security Deposit.**
- 1.3. Copy of the layout drawing shall be submitted by the successful bidder for approval. No claim in this regard will be entertained.
- 1.4. **Price preference** will be allowed as per prevailing Government Order No.

NIQ– for Installation of Fountain at Milan Mela

10500- F dated 19/11/2004 of Special secretary, Finance Department, Govt of West Bengal.

- 1.5. Earnest Money** : Rs 13,000/- only in the shape of Demand Draft/Banker's Cheque drawn in favor of the **West Bengal Trade Promotion Organisation** within the Bid Submission Date, scan copy of which to be uploaded along with online submission and original to be given with offline submission of documents. This clause is also applicable for all categories of applicants except those are exempted as per Government Order no. 10500-F, dated 19/11/2004 of the Finance Department, Audit Branch, Govt. of West Bengal. **The Earnest Money Deposit should be deposited physically in a sealed envelope with a attachment of a covering letter within the Bid Submission Date.**
- 1.6.** The Bidder, at his own responsibility and risk is encouraged to visit and examine the site of works and its Surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for the work as mentioned in the Notice Inviting Quotation, before submitting offer with full satisfaction, the cost of visiting the site shall be at his own expense.  
The intending Bidders shall clearly understand that whatever may be the outcome of the present invitation of Bids, no cost of Bidding shall be reimbursable by the Department. The Chief Executive Officer reserves the right to reject any application for purchasing Bid Documents and to accept or reject any offer without assigning any reason whatsoever and is not liable for any cost that might have been incurred by any Bidder at the stage of Bidding.
- 1.7. Refund of EMD:** The Earnest Money of all the unsuccessful Bidder deposited along with the Bids will be refunded on receipt of application from Bidders.
- 1.8. Prospective applicants are advised to note carefully the minimum qualification criteria as mentioned in 'Instructions to Bidders' before tendering the bids.**
- 1.9. Conditional/ Incomplete tender will not be accepted.**
- 1.10.** The intending Bidders are required to quote the rate ***on line only***.
- 1.11.** Bidders shall have to comply with the provisions of (a) the contract labour (Regulation Abolition) Act. 1970 (b) Apprentice Act. 1961 and (c) minimum wages Act. 1948 of the notification thereof or any other laws relating thereto and the rules made and order issued there under from time to time.
- 1.12.** During the scrutiny, if it come to the notice to tender inviting authority that the credential or any other paper found incorrect/ manufactured/ fabricated, that bidder would not be allowed to participate in the tender and that application will be out

NIQ– for Installation of Fountain at Milan Mela

rightly rejected without any prejudice.

The C E O, WBTPO reserves to right to cancel the N.I.Q. due to unavoidable circumstances and no claim in this respect will be entertained.

**1.13.** Before issuance of the **WORK ORDER**, the quotation inviting authority may verify the credential and other documents of the lowest Bidder, if found necessary. After verification if it is found that the documents submitted by the lowest Bidder is either manufactured or false in that case work order will not be issued in favour of the said Bidder under any circumstances.

**1.14.** Detailed scope of work discussed in Section-E

**1.15. Qualification criteria:**

The Quotation inviting & Accepting Authority will determine the eligibility of each bidder, and the bidders shall have to meet all the minimum regarding:-

**a) Financial Capacity**

**b) Technical Capability comprising of personnel & equipment capability**

**c) Experience/Credential**

The eligibility of a bidder will be ascertained on the basis of the self attested documents in support of the minimum criteria as mentioned in a, b, c above and the declaration executed through prescribed affidavit in non-judicial stamp paper of appropriate value duly notarized. If any document submitted by a bidder is either manufacture or false, in such cases the eligibility of the bidder will be out rightly rejected at any stage without any prejudice.

**1.16. Commencement of Work:**

The successful contractor shall commence the works on site after the receipt by him of a written order to thus effect from the Engineer and shall proceed with due expedition and without delay, except as may be expressly sanctioned or ordered by the engineer.

**1.17 Ambiguity in Contract Documents:**

The several documents forming the contracts are to be taken as mutually explanatory of one another and in case of ambiguities or discrepancies the same shall be explained and adjusted by the Engineer who shall thereupon issue to the contractor s directing in what manner the work is to be carried out. Provided always that if in the opinion of the Engineer, compliance with any such instructions shall involve the contractor in any expense which by reason of any such ambiguity or discrepancy the

NIQ– for Installation of Fountain at Milan Mela

contractor did not and had reason not to anticipate, the Engineer shall certify and the owner shall pay such additional sum as may be reasonable to cover such expense.

**1.18. Completion Time:**

The successful contractor shall submit the drawing for civil works related to the fountain within 10 days from date of placement of Work Order. The Contractor shall install and commission the Fountain within 3 weeks from the date of completion of Civil Work which may take around 3 months time from the date of receipt of the drawing.

**1.19. Extension of Time:**

Extension of time may be granted in the event of justifiable reasons as followed in the Government Department.

**1.20. Payment:**

On submission of bill in triplicate followed by certification by Engineer-in-Charge or his authorized representative.

**1.21. Liquidated Damages:**

If the contractor shall fail to complete the works within the time prescribed herein or extended time for completion, then the contractor shall pay to the WBTPPO a sum amounting to half percent of the value of the works as liquidated damages for such default and not as a penalty, for every week or part of a week which shall elapse between the time prescribed or extended time as the case may be and the date of completion of the works subject to a maximum of ten percent (10%) of the total contract price.

**1.35. Period of Maintenance:**

In these conditions the expression 'Period of Maintenance' shall mean the Period of Maintenance mentioned in the Contract calculated from the date of completion of the works certified by the Engineer.

**1.36. Maintenance and repair:**

To the intent that the works shall at or as soon as practicable, after expiration of the Period of Maintenance be delivered to the owner in as good and perfect condition (fair wear and tear expected) to the satisfaction of the Engineer as that in which they were

NIQ– for Installation of Fountain at Milan Mela

at the commencement of the period of maintenance, the contractor shall execute all such work of repair, amendment, reconstruction, rectification and making good of defects, imperfections, shrinkages or other faults as may be required of the contractor as indicated in written by the Engineer during the Period of Maintenance or within fourteen days after its expiration, as a result of an inspection made by or on behalf of the Engineer prior to its expiration. All such work shall be carried out by the Contractor at his own expense if the necessity thereof shall, in the opinion of the Engineer be due to the use of materials or workmanship not in accordance with the Contract, or to neglect or failure on the part of the contractor to comply with any obligation, expressed or implied on the Contractor's part under the Contract. If, in the opinion of the Engineer, such necessity shall be due to any other cause, the value or such work shall be ascertained and paid for as if it were additional work.

If the Contractor shall fail to do any such work as aforesaid required by the Engineer, the Owner shall be entitled to carry out such work by his own workmen or by other Contractors and if such work is executed which the Contractor should have carried out at Contractor's own cost. The Owner shall be entitled to recover from the Contractor the cost thereof or may deduct the same from any money due or which may become due to the Contractor.

**1.22. Issue of Maintenance Certificate:**

The contract shall not be considered as completed until a Maintenance Certificate shall have been signed by the Engineer and delivered to the owner stating that the works have been completed and maintained to his satisfaction. The Maintenance Certificate shall be given by the Engineer upon the expiration of the period of Maintenance or as soon thereafter.

**1.23. Refund of Security Money:**

The security money shall be refunded to the Contractor on expiry of successful maintenance period of 6 months.

**1.24. Certificate of Payment shall not constitute approval of Work:**

No certificate other than the Maintenance Certificate as reflected to here shall be deemed to constitute approval of any work or other matter in respect of which it is issued or shall be taken as an admission of the due performance of the Contract or any part thereof or of the accurate of any claim or demand made by the Contractor or of additional or varied work having been ordered by the Engineer nor shall any other certificate conclude or prejudice any of the power of the Engineer.

BY ORDER  
Chief Executive Officer, WBTPO

NIQ– for Installation of Fountain at Milan Mela

## **SECTION — E**

### **Special terms and conditions**

#### **ENGINEER-IN-CHARGE AND COMMENCEMENT OF WORK:**

The word “Engineer-In-Charge” means the technical officer authorized by the CEO, WBTPO. The word “approved” appearing anywhere in the documents means approved by the Engineer- In-Charge. The work shall have to be taken up within seven days of the receipt of the work order. Failure to do so will constitute a violation of the contract stipulation as regards proportionate progress and timely completion of work and the contractor will thereby liable to pay compensation or other penal action as per stipulation of the quotation form.

#### **CONDITION IN EXTENDED PERIOD :**

As the case may be when an extension of time for completion of work is authorised by the Engineer-In-Charge, it will be taken for granted that the validity of the contract is extended automatically upto the extended period with all terms and conditions rates, etc. remaining unaltered, i.e. the tender is revalidated upto the extended period.

#### **CO-OPERATION AND DAMAGES AND COMPLETION OF WORK:**

All works are to be carried out in close co-operation with the authority and other contract or contracts that may be working in the area of work. The work should also be carried out with due regard to the convenience of the road/building users and occupants, if any. All arrangements and programme of work must be adjusted accordingly. All precautions must be taken to guard against chances of injury or accidents to workers, road users, occupants etc. The contractor must see that all damages to any property which, in the opinion of the Engineer-In-Charge are due to the negligence of the contractor, are promptly rectified by the contractor at his own cost and expenses and according to the direction and satisfaction of the Engineer-In-Charge.

#### **CONTRACTOR’S SITE OFFICE:**

The contractor shall have an office adjacent to the work as may be approved by the Engineer- In-Charge where all directions and notice of any kind whatsoever which the Engineer-In-Charge or his representative may desire to give to the contractor in connection with the contract may be left and same when left at or sent by post to such office or delivered to the Contractor’s authorised agent or representative shall be deemed to the sufficiently served upon the contractor.

NIQ– for Installation of Fountain at Milan Mela

### **INCIDENTAL AND OTHER CHARGES :**

The cost of all materials, hire charges to Tools and plants, Labour, Ferry charges, Toll Charges, Loading and unloading charges, Handling chargers overhead charges etc. will be deemed to have been covered by the rates quoted by the contractor inclusive of Sales Tax (Central and/or State), Income Tax, Octroi Duty/Terminal Tax, Turnover Tax etc including all other charges for the execution of the complete or finished work or in case of supply of materials and for carriage to the entire satisfaction of the Engineer-In-charge of the work. No claim whatsoever in this respect will be entertained.

### **POWER OF ATTORNEY:**

The Provision of the power of attorney, if any, must be subject to the approval of the authority. Otherwise the authority shall not be bound to take cognizance of such of attorney.

### **EXTENSION OF TIME :**

For cogent reasons over which the contractor will have no control and which will retard the progress, extension of time for the period lost will be granted on receipt of application from the contractor before the expiry date of contract. No claim whatsoever for idle labour, additional establishment, cost of materials and labour and hire charges of tools & Plants etc. would be entertained under any circumstances. The contractor should consider the above factor while quoting his rate. Applications for such extension of time should be submitted by the contractor.

### **JURISDICTION:**

The order shall be governed by India Law(s) and shall be subject to the jurisdiction of the Courts at Kolkata

### **TERMINATION OF CONTRACT:**

Company reserves the right to terminate the Order/ Contract on his own initiative by giving one month notice. Company shall issue such notice to Supplier for termination/ cancellation of the order. Supplier upon receipt of such notice shall discontinue the work on the date and to the extent specified in the notice, make all reasonable efforts to obtain cancellation of all related sub-suppliers/ sub-contractors to the extent they are related to the scope terminated.

### **FORCE MAJURE:**

The supplier/ Company shall be under no liability if he is prevented from carrying out of his obligation by reason of WAR, invasion, Act of Foreign Country, Hostilities (whatever war declared or not), Riots Civil Commotion, Mutiny, Insurrection, rebellion, Accident, earthquake, Fires, Flood, Govt. orders and/ or restrictions (Except power supply restrictions and other cause

NIQ– for Installation of Fountain at Milan Mela

beyond the reasonable control of the parties. However, such force majeure circumstances are to be intimated by both the parties immediately by means of written communication and to be established subsequently with proper documents/ proofs to the entire satisfaction of the purchaser.

### **CLEARING MATERIALS:**

The whole site shall be left in a clear and neat manner to the satisfaction of the Engineer-In- Charge. No separate payment shall be made for all these works, the cost thereof being deemed to have been included in the rates of various items of works quoted by the contractor in the schedule of probable items of works.

### **APPROVAL OF MATERIALS:**

All materials to be supplied by the contractor and to be used in the work shall have to be approved by the Engineer-in-charge and checking the quality of such materials shall have to be done by the concerned Department prior to utilization in work.

### **WATER AND ENERGY:**

The contractor shall be provided with source of energy for operation of equipments and machineries, driving of pumping set, illuminating work site, office etc. that may be necessary in different stages of execution of work. Arrangement for obtaining water for the work should also be provided by the authority.

All materials and Tools and Plants and all labour (skilled and unskilled) are to be arranged for by the contractor. The cost of transport of labour, materials and all items as aforesaid shall also have to be borne by the Contractor.

### **DRAWINGS :**

The Contractor / Agency shall have to carry out all the works according to the approved general arrangement drawing and detail drawings / design calculations and related documents to be supplied by the contractor for approval of WBTPD from time to time at no extra cost. All works shall be carried out in conformity with the drawings, design calculations and relevant documents duly approved by this Department

### **SERVICEABLE MATERIALS:**

The responsibility for stacking the serviceable materials obtained during dismantling of existing structure/road (to be decided by the Engineer-in-charge) and handing over the same to the Engineer-in-charge of work of this Department lies with the contractor and nothing will be paid on this account. In case of any loss or damage of serviceable materials

prior to handing over the same to this Department, full value will be recover from the Contractor's bill at rates as will be assessed by the Engineer-in-charge.

### **UNSERVICEABLE MATERIALS :**

The Contractor shall remove all unserviceable materials, obtained during execution at place as directed. The contractor shall dressed up and clear the work site after completion of work as per direction of the Engineer-in-charge. No extra payment will be made on this account.

### **CONTRACTOR'S RISK FOR LOSS OR DAMAGE :**

All risk on account of Railway or Road carriage or carriage by boat including loss or damage of vehicles boats, barges materials or labour will have to be borne by the contractor.

### **IDLE LABOUR :**

Whatever the reasons may be no claim or idle labour, enhancement of labour rate additional establishment cost, cost of TOLL and hire and labour charges of tools and plants Railway freight etc. would be entertained under any circumstances.

### **COMPLIANCE OF DIFFERENT ACTS :**

The contractor shall comply with the provisions of the Apprentices Act, 1961, Minimum Wages Act, 1848. Contract Labour (Regulation and Abolition) Act 1970 and the rules and orders issued hereunder from time to time. If he fails to do so, the Engineer-In-Charge may at his discretions, take necessary measure for compliance of statutory act by the contractor. The Contractor shall have to take all pecuniary liabilities arising out on account of any violation of the provision of the said Act(s). The Contractor must obtain **necessary certificate and license from the concerned Office** under the Contract Labour (Regulation & Abolition) Act, 1970. The contractor shall be bound to furnish the Engineer-In-Charge all the returns particulars as are called for from time to time in connection with implementation of the provisions of the above Acts and Rules and timely submission of the same, failing which the contractor will be liable for breach of contract and the Engineer-In-Charge may at his discretion take necessary measures over the issue. Overall the agency has to abide by the law of the land.

### **COMMENCEMENT OF WORK :**

The work must be taken up within the date as stipulated in the work order and completed in all respects within the period specified in Notice Inviting Quotation.

### **PROGRAMME OF WORK :**

Before actual commencement of work the contractor shall submit a programme of construction of work clearly showing the materials men and equipments. The contractor will submit a programme of construction in the pattern of Bar Chart or Critical Path Method and a time table divided into four equal periods of progress of work to complete

NIQ– for Installation of Fountain at Milan Mela

the work within the specific period for approval of the Engineer-In-Charge who reserves the right to make addition, alterations and substitutions to such programme in consultation with the contractor and such approved programme shall be adhered to by the contractor unless the same is subsequently found impracticable in part or full in opinion of the Engineer-In-Charge and is modified by him. The contractor must pray in writing, showing sufficient reasons therein, for modification of programme. The conditions laid down in clause 2 of the printed tender form regarding the division of total period and progress to work and the time table therefore as provided in the said clause shall be deemed to have been sufficiently complied with it the actual progress of work does not fall short of the progress laid down in the approved time table for one fourth, half and three fourth of time allowed for the work.

### **SETTING OUT OF THE WORK :**

The contractor shall be responsible for the true and perfect setting out of the work and for the correctness of the position, levels, dimensions and alignments of all parts of work, if any, rectification or adjustment becomes necessary the contractor shall have to do the same at his own cost according to the direction of the Engineer-In-Charge during progress of works, if any, error appears or arise in respect of position, level, dimensions or alignment of any part of the work contractor shall at his own cost rectify such defects to the satisfaction of the Engineer-In-Charge. Any setting out that may be done or checked by either of them shall not in any way relieve the contractor or their responsibility for correctness thereof.

### **PRECAUTIONS DURING WORKS :**

The contractor shall carefully execute the work without disturbing or damaging underground or overhead service utilities viz. Electricity, Telephones, Gas, Water pipes, Sewers etc. in case disturbances of service utilities is found unavoidable the matter should immediately be brought to the notice of the Engineer-In-Charge and necessary precautionary measures as would be directed by the Engineer-In-Charge shall be carried out at the cost and expenses of the contractor. If the service utilities are damaged or disturbed in any way by the contractor during execution of the work, the cost of rectification or restoration of damages as would be fixed by the Executive Engineer of the Division concerned will be recovered from the contractor.

### **NIGHT WORK :**

The contractor shall not ordinarily be allowed to execute the work at night. The contractor may however, have to execute the work at night, if instructed by the Engineer-in-Charge. For true technical or emergent reasons, the work may require to be executed during the night also according to the instruction of the Engineer-in-Charge. In that case the contractor shall have to arrange for separate set of labour with sufficient and satisfactory lighting arrangement for the night work. No extra payment whatever, in this respect will be

NIQ– for Installation of Fountain at Milan Mela

made to the contractor.

### **TESTING OF QUALITIES OF MATERIALS & WORKMANSHIP:**

All materials and workmanship shall be in accordance with the specifications laid down in the contract and IS codes and the Engineer-In-Charge reserves the right to test, examine and measure the materials/workmanship direct at the place of manufacture, fabrication or at the site of works or any suitable place. The contractor shall provide such assistance, instrument machine, labour and materials as the Engineer-In-Charge may require for examining, measuring and testing the works and quality, weight or quantity of materials used and shall supply samples for testing as may be selected and required by the Engineer-In-Charge without any extra cost. Besides this, he will carry out tests from outside Laboratory as per instruction of Engineer-In-Charge. The cost of all such tests would be borne by the agency.

### **TIMELY COMPLETION OF WORK:**

All the supply and the work must have to be completed in all respects within the time specified in Notice Inviting Quotation from the date of work order. Time for completion as specified in the tender shall be deemed to be the essence of the contract.

### **REJECTION OF MATERIALS:**

All materials brought to the site must be approved by the Engineer-In-Charge. Rejected materials must be removed by the Contractor from the site within 24 hours of the issue of order to that effect. In case of non-compliance of such order, the Engineer-In-Charge shall have the authority to cause such removal at the cost and expense of the contractor and the contractor shall not be entitled to claim for any loss or damage of that account.

### **DELAY DUE TO MODIFICATION OF DRWAING AND DESIGN:**

The contractor shall not be entitled for any compensation for any loss suffered by him due to delays arising out of modification of the work due to non-delivery of the possession of site.

### **DOCUMENTS & CERTIFICATES:**

The authority may ask for any valid document like manufacturer's test certificate, document for purchase of the material etc. as deemed fir by the engineer-in-charge to ascertain genuinity of material supplied by / used in the work by the contractor. The contractor shall remain bound to submit all such documents to WBTPO.

# SECTION – F

## General guidance for e-Tendering

### 2.1.0 General guidance for e-Tendering

Instructions/ Guidelines for quotations for electronic submission of the quotations online have been annexed for assisting the Bidders to participate in e-Quotation.

#### **2.1.1. Registration of Contractor**

Any contractor willing to take part in the process of e-Quotation will have to be enrolled & registered with the Government e-Procurement system, through logging on to <https://etender.wb.nic.in> (the web portal of public works department) the contractor is to click on the link for e-Tendering site as given on the web portal.

#### **2.1.2. Digital Signature certificate (DSC)**

Each contractor is required to obtain a class-II or Class-III Digital Signature Certificate (DSC) for submission of tenders, from the approved service provider of the National Information's Centre (NIC) on payment of requisite amount details are available at the Web Site stated in Clause-2 of Guideline to Bidder DSC is given as a USB e-Token.

**2.1.3** The contractor can search & download NIQ & Quotation Documents electronically from computer once he logs on to the website mentioned in Clause 2 using the Digital Signature Certificate. This is the only mode of collection of Quotation Documents.

#### **2.1.4 Participation in more than one work**

A prospective bidder shall be allowed to participate in the job either in the capacity of individual or as a partner of a firm. If anyone found to have applied severally in a single job; all his applications will be rejected for that job.

A prospective bidder (including his participation in partnership) shall be allowed to participate in a single work as mentioned in the list of schemes.

#### **2.1.5 Submission of Quotation.**

General process of submission, quotations are to be submitted through online to the website stated in Cl.2 in two folders at a time for each work, one in Technical Proposal & the other is Financial Proposal before the prescribed date & time using the Digital Signature Certificate (DSC) the documents are to be uploaded virus scanned copy duly Digitally Signed. The documents will get encrypted (transformed into non readable formats).

### **2.1.6 Penalty for suppression / distortion of facts**

If any Bidder fails to produce the original hard copies of the documents (especially Completion Certificates and audited balance sheets), or any other documents on demand of the Bid Evaluation Committee within a specified time frame or if any deviation is detected in the hard copies from the uploaded soft copies or if there is any suppression, the Bidder will be suspended from participating in the tenders on e-Quotation platform for a 3(Three) years. In addition, his user ID will be deactivated and Earnest Money Deposit will stand forfeited. Besides, the authority may take appropriate legal action against such defaulting Bidder. The Employer reserves the right to accept or reject any Bid and to cancel the Bidding processes and reject all Bids at any time the prior to the award of Contract without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the ground for Employer's action.

### **2.1.7 AWARD OF CONTRACT**

The Bidder whose Bid has been accepted will be notified by the Quotation Inviting & Accepting Authority through acceptance letter.

The notification of award will constitute the formation of the Contract. The successful bidder has to purchase 2 (Two) copies of specification/schedule on payment of usual charges for the purpose of making agreement between the Quotation Accepting Authority and the successful Bidder.

### **2.1.8 QUOTATION FOUND TO HAVE SUBMITTED UNDER False name:**

When a Contractor, whose quotation has been accepted under a given name, is subsequently discovered to have given a false name, his contract may at the discretion of the Authority accepting the tender be annulled and his Security Deposit will be forfeited.

**BY ORDER  
CEO, WBTPPO**
