15. Bid Validity

15.1 Bids shall remain valid for a period **120 (one twenty) days** after the deadline date for bid submission specified in Clause 20 of ITB. A bid valid for a shorter period shall be rejected by the Employer as non-responsive.

15.2 In exceptional circumstances, prior to expiry of the original time limit, the Employer may request that the bidders may extend the period of validity for a specified additional period. The request and the bidders' responses shall be made in writing or by cable. A bidder agreeing to the request will not be required or permitted to modify his bid, but will be required to extend the validity of his Earnest Money for a period of the extension, and in compliance with Clause 16 of ITB in all respects.

16. Earnest Money

The Bidder shall furnish, as part of the Bid, Earnest Money, for an amount Rs.20,000/-(Rupees twenty thousand only) to be submitted only through online during submission of bid.

16.1 The scanned copy of the earnest money details must be uploaded at the time of submission of bid through e-tender. The bid stands cancelled in its entirety if the EMD is not provided.

16.2 Any bid not accompanied by an acceptable Earnest Money, shall be rejected by the Employer as non-responsive.

16.3 The Earnest Money of unsuccessful bidders will be returned within 28 days of the end of the Bid validity period specified in Clause 15.1 of ITB.

16.4 The Earnest Money of the successful Bidder will be adjusted with performance security deposit when the Bidder has signed the Agreement and furnished the required Performance Security.

16.6 The Earnest Money may be forfeited:

- a) If the Bidder withdraws the Bid after bid opening (technical bid) during the period of Bid validity;
- b) If the bidder does not accept the correction of Bid Price pursuant to clause 25
- c) In the case of a successful Bidder, if the Bidder fails within the specified time limit to
 - i. Sign the Agreement; and/or
 - ii. Furnish the required Performance Security.

17. Alternative Proposals by Bidders

17.1 Bidders shall submit offers that comply with the requirements of the bidding documents. Alternative proposals will be rejected as non-responsive.

18.1 The Bidder shall submit online one set of the bid comprising of the documents as described in Clause 12 of ITB.

18.2 The Bid shall be typed or written in indelible ink and shall be signed by a person or persons duly authorized to sign on behalf of the Bidder. All pages of the Bid shall be signed by the person or persons signing the Bid.

18.3 The Bid shall contain no overwriting, alterations or additions, except those to comply with instructions issued by the Employer, or as necessary to correct errors made by the Bidder, in which case such corrections shall be made by scoring out the cancelled portion, writing the correction and initialing and dating it by the person or persons signing the Bid.

19. Submission of Bids

19.1 The Bidder shall upload his bid on or before the last date of submission of bid within the stipulated

time.

20. Deadline for Submission of Bids : The last date of uploading of Bid is **29.11.2024 at Time: 15-00 hours**, (as per server clock)

21. Late Bids : Bids after the last date of submission cannot be uploaded.

Bid Opening and Evaluation

22. Bid Opening

22.1 The Employer will online open the bids received at the time, date and place as specified. In the event of the specified date for the opening of bids being declared a holiday for the Employer, the Bids will be opened at the appointed time and location on the next working day.

22.2 Evaluation of the technical bids shall be taken up and completed and a list will be drawn up of the responsive bids whose financial bids are eligible for consideration.

22.4. The date of Financial Bid Opening will be notified to the technically qualified bidders at a later date. In the event of the specified date being declared a holiday for the Employer, the bids will be opened at the appointed time and location on the next working day.

23. Process to be Confidential

23.1 Information relating to the examination, clarification, evaluation, and comparison of bids and recommendations for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any attempt by a Bidder to influence the Employer's processing of bids or award decisions may result in the rejection of his Bid.

24. Clarification of Bids and Contacting the Employer

24.1 No Bidder shall contact the Employer on any matter relating to its bid from the time of the bid opening to the time the contract is awarded.

24.2 Any attempt by the bidder to influence the Employer's bid evaluation, bid comparison or contract award decision may result in the rejection of his bid.

25. Correction of Errors

25.1 Bids which are determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows:

a) where there is a discrepancy between the rates in figures and in words, the rate in words will govern; and

b) where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.

25.2 The amount stated in the Bid will be adjusted by the Employer in accordance with the above procedure for the correction of errors and shall be considered as binding upon the Bidder. If the Bidder does not accept the corrected amount, the Bid will be rejected, and the Earnest money shall be forfeited in accordance with Clause 16.6(b) of ITB.

26. Evaluation and Comparison of Bids

26.1 In evaluating the bids, the Employer will determine for each Bid the evaluated Bid price by adjusting the Bid price by making correction, if any, for errors pursuant to Clause 25 of ITB.

26.2 If the Bid of the successful Bidder is seriously unbalanced in relation to the Engineer's estimate of the cost of work to be performed under the contract, the Employer may require the Bidder to produce detailed price analyses for any or all items, to demonstrate the internal consistency of those prices with the construction methods and schedule proposed. After evaluation of the price analyses, the Employer may require that the amount of the performance security set forth in Clause 29 of ITB

be increased at the expense of the successful Bidder to a level sufficient to protect the Employer against financial loss in the event of default of the successful Bidder under the Contract. The amount of the increased performance security shall be decided at the sole discretion of the Employer, which shall be final, binding and conclusive on the bidder.

F. Award of Contract

27. Employer's Right to Accept any Bid and to Reject any or all Bids The Employer reserves the right to accept or reject any Bid, and to cancel the bidding process and reject all bids, at any time prior to the award of **Contract**, without thereby incurring any liability to the affected Bidder or bidders or any obligation to inform the affected Bidder or bidders of the grounds for the Employer's action.

28.1 The bidder whose Bid has been accepted will be notified of the award by the Employer prior to expiration of the Bid validity

28.2. The notification of award will constitute the formation of the Contract, subject only to the furnishing of a performance security in accordance with the provisions of Clause 29

28.3. The Agreement will incorporate all agreements between the Employer and the successful Bidder. It will be signed by the Employer and the successful Bidder after the performance security is furnished.

28.4 Upon furnishing by the successful Bidder of the Performance Security, the Employer will promptly notify the other Bidders that their Bids have been unsuccessful.

29. Performance Security/Security Deposit

29.1 Within 14 (fourteen) working days after receipt of the Letter of Acceptance/Work Order, the successful Bidder shall deliver the below amount to the Employer as Performance Security.

Amount: 73,000.00 (Rupees seventy three thousand only) as performance security shall be deposited in the below mentioned account

Bill of Quantities means the priced (as quoted by the bidder) and completed Bill of Quantities forming part of the Bid.

Compensation Events are those defined in Clause 40 hereunder.

The Completion Date is the date of completion of the Works as certified by the Engineer, in accordance with Clause 48.1.

The Contract is the Contract between the Employer and the Contractor to execute, complete, and maintain the Works. It consists of the documents listed in Clause 2.2

The Contractor is a person or corporate body who's Bid to carry out the Works has been accepted by the Employer.

The Contractor's Bid is the completed bidding document submitted by the Contractor to the Employer as per the instructions of the Tender Document

The Contract Price is the price stated in the Letter of Intent/ Work Order and thereafter as adjusted in accordance with the provisions of the Contract.

Days are calendar days; months are calendar months.

Defect is any part of the Works not completed in accordance with the Contract.

The Defects Liability Certificate is the certificate issued by Engineer, after the Defect Liability Period has ended and upon correction of Defects by the Contractor.

The Defects Liability Period is **06 (SIX) Month** from the date of issue of **Completion Certificate**.

Drawings/Documents include calculations and other information provided or approved by the Engineer for the execution of the Contract.

The Employer is the party as defined below, who employs the Contractor to carry out the Works. The Employer may delegate any or all functions to a person or body nominated by him for specified functions.

The Employer is West Bengal Industrial Development Corporation Limited (WBIDCL)

Designation: Managing Director

Address: 23, Abanindranath Tagore Sarani (Camac Street), Kolkata-700 017

The Engineer is a competent person appointed by the Employer and notified to the Contractor who is responsible for supervising the Contractor, administering the Contracts, certifying payments due to

the Contractor, issuing and valuing Variations to the Contract and awarding extension.

Equipment is the Contractor's machinery and vehicles brought temporarily to the Site to construct the Works.

The Initial Contract Price is the Contract Price listed in the Employer's Letter of Intent/Work Order.

The Intended Completion Date is the date on which it is intended that the Contractor shall complete the Works. **The Intended Completion Date is within 60 (sixty) days from the date of issue of letter of Acceptance/Work Order.** The Intended Completion Date may be revised only by the Engineer by issuing an extension of time.

The **Start Date** is from the date of issue of Work Order/Letter of Intent to contractor. It does not necessarily coincide with any of the Site Possession Dates.

Materials are all supplies, including consumables, used by the Contractor for incorporation in the Works.

Plant is any integral part of the Works that shall have a mechanical, electrical, electronic, chemical, or biological function.

The **Site** is at Vidyasagar Industrial Park, Kharagpur in West Bengal.

Specification means the Specification of the Works included in the Contract and any modification or addition made or approved by the Engineer.

A **Sub-Contractor** is a person or corporate body who has a Contract with the Contractor to carry out a part of the work in the Contract, which includes work on the Site.

Temporary Works are works designed, constructed, installed, and removed by the Contractor that are needed for construction or installation of the Works.

A **Variation** is an instruction given by the Engineer, which varies the Works.

The **Works**, as defined in the Scope of Work in ITB, are what the Contract requires the Contractor to construct, install, maintain, and turn over to the Employer. The Construction Power has to be arranged by the Contractor.

2. Interpretation

2.1 In interpreting these Conditions of Contract, singular also means plural, male also means female or neuter, and the other way around. Headings have no significance. Words have their normal meaning under the language of the Contract unless specifically defined. The Engineer will provide instructions clarifying queries about these Conditions of Contract.

2.2 The following documents forming the contract are to be taken as mutually explanatory of one another, but in case of ambiguities or discrepancies, the Engineer's decision shall be final and binding on the Contractor.

25. Arbitration

All tenders in which any of the prescribed conditions are not fulfilled will be rejected. No arbitration for the work will be admissible.

B. Time Control

26. Programme

26.1 Within the time stated in the Contract Document, the Contractor shall submit to the Engineer for approval a Programme showing the general methods, arrangements, order, and timing for all the activities in the Works, along with monthly cash flow forecasts for the

construction of works, 7 days in advance of the start of construction programme.

- 26.2** The Contractor shall submit the list of equipment and machinery being brought to site, the list of key personnel (and their CVs) being deployed, the list of equipment being placed in field laboratory and the location of field laboratory along with the programme. The Engineer shall cause these details to be verified at each appropriate stage of the programme.
- 26.3** An update of the Programme shall be a programme showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining Works, including any changes to the sequence of the activities.
- 26.4** The Contractor shall submit to the Engineer for approval an updated Programme at intervals no longer than the period stated in the Contract Document. If the Contractor does not submit an updated Programme within this period, the Engineer may withhold the amount stated in the Contract from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue Programme has been submitted.
- 26.5** The Engineer's approval of the Programme shall not alter the Contractor's obligations. The Contractor may be required to revise the Programme and submit it to the Engineer again at any time. A revised Programme shall show the effect of Variations and Compensation Events and Contractor's proposed steps to complete the work in time.

27. Extension of the Intended Completion Date

- 27.1** The Engineer shall extend the Intended Completion Date if a Compensation Event occurs or a Variation is issued which makes it impossible for Completion to be achieved by the Intended Completion Date without the Contractor taking steps to accelerate the remaining Works, which would cause the Contractor to incur additional cost.
- 27.2** The Engineer shall decide whether and by how much time to extend the Intended Completion Date within 21 days of the Contractor asking the Engineer for a decision upon the effect of a Compensation Event or Variation and submitting full supporting information. If the Contractor has failed to cooperate in dealing with a delay, the delay by this failure shall not be considered in assessing the new Intended Completion Date.
- 27.3** The Engineer shall within 14 days of receiving full justification from the Contractor for extension of Intended Completion Date refer to the Employer for his decision. The Employer shall in not more than 21 days communicate to the Engineer the acceptance or otherwise of the Engineer's decision. If the Employer fails to give his acceptance, the Engineer shall not grant the extension and the Contractor, if he feels the decision is wrong, may refer the matter to the Dispute Review Expert under Clause 24.1.

28. Delays Ordered by the Engineer

- 28.1** The Engineer may instruct the Contractor to delay the start or progress of any activity within the Works. Delay / delays totaling more than 30 days will require prior written approval of the Employer.

29. Management Meetings

- 29.1** The Engineer may require the Contractor to attend management meetings. The business of a management meeting shall be to review the plans for the remaining Works and to deal with matters raised in accordance with early warning procedure, by which the Contractor warns the Engineer at the earliest of specific likely future events that may affect the cost or completion time of the Works.
- 29.2** The Engineer shall record the business of management meetings and provide copies of the record to those attending the meeting. The responsibility of the parties for actions to be taken shall be decided by the Engineer either at the management meeting or after the management meeting and stated in writing to all those who attended the meeting.

Quality Control

30. Identifying Defects

The Engineer shall check the Contractor's work and notify the Contractor of any Defects that are found.

30.1 Such checking shall not affect the Contractor's responsibilities. The Engineer may instruct the Contractor to search for a Defect and to uncover and test any work that the Engineer considers may have a Defect.

31. Tests

31.1 For carrying out mandatory tests as prescribed in the specifications, the contractor shall establish field laboratory at the location decided by Engineer. The field laboratory will have equipment's as required to conduct relevant tests by the contractor as and when desired by the Departmental Engineer. Test is deemed necessary to be conducted by the contractor from the Government approved Laboratory or National Test House or reputed Govt. academic institution with his own cost including obtaining the report.

31.2 The Engineer may instruct the Contractor to carry out a test not specified in the Specification to check whether any work has a Defect and the Contractor shall carry out the test at his cost and pay for any samples.

33. Correction of Defects (including those noticed during the Defect Liability Period)

32.1.1 The Engineer shall give notice to the Contractor of any Defects before the end of the Defects Liability Period, which begins at Completion and is defined in the Contract Document. The Defects Liability Period shall be extended for as long as Defects remain to be corrected.

32.1.2 Every time notice of Defect/Defects is given, the Contractor shall correct the notified Defect/Defects within the length of time specified by the Engineer's notice.

32.1.3 The Engineer may issue notice to the Contractor to carry out removal of defects, if any noticed in his inspection, or brought to his notice. The Contractor shall remove the defects within the period specified in the notice and submit to the Engineer a compliance report.

33. Uncorrected Defects

33.1 If the Contractor has not corrected a Defect pertaining to the Defect Liability Period under clause 32.1.1 to clause 32.1.3 of these Conditions of Contract, to the satisfaction of the Engineer, within the time specified in the Engineer's notice, the Engineer will assess the cost of having the Defect corrected, and the Contractor shall pay this amount, on correction of the Defect.

D. Cost Control

34. Bill of Quantities

34.1 The Bill of Quantities shall contain items for the construction, installation, testing, and commissioning, maintaining works to be done by the Contractor.

34.2 The Bill of Quantities is used to calculate the Contract Price. The Contractor will be paid for the quantity of the work done at the rate in the Bill of Quantities for each item.

35. Variations

35.1 The Engineer shall, having regard to the scope of the Works and the sanctioned estimated

cost, have power to order, in writing, Variations within the scope of the Works he considers necessary or advisable during the progress of the Works. Such Variations shall form part of the Contract and the Contractor shall carry them out and include them in updated programmes produced by the Contractor. Oral orders of the Engineer for Variations, unless followed by written confirmation, shall not be taken into account.

36. Payments for Variations

36.1 If rates for Variation items are specified in the Bill of Quantities, the Contractor shall carry out such work at the same rate. No increase in rates of any item specified in BOQ will be allowed due to variation in quantities.

36.2 If the rates for Variation are not specified in the Bill of Quantities, the Engineer shall derive the rate from similar items in the Bill of Quantities.

36.3 If the rate for Variation item cannot be determined in the manner specified in Clause 36.1 or 36.2, the Contractor shall, within 14 days of the issue of order of Variation work, inform the Engineer the rate which he proposes to claim, supported by analysis of the rates. The Engineer shall assess the quotation and determine the rate based on prevailing market rates within on the claim by the Contractor. As far as possible, the rate analysis shall be based on the standard data book and the current schedule of rates of the district public works division. The decision of the Engineer on the rate so determined shall be final and binding on the Contractor.

37. Cash Flow Forecasts

When the Programme is updated, the Contractor shall provide the Engineer with an updated cash flow Forecast

38. Payment Certificates

38.1 The payment to the contractor will be as follows:

(a) The bill value (final bill) drawn by the agency shall be subjected to the completion of the works in all respect, supported with receipt challan, work completion report duly certified by the WBIDC's representative, in all respect, satisfying the quality of the work and after necessary testing over the stated work. No advance payment/R/A bill will be entertained.

39. Payments

No Interim payment shall be made.

40. Compensation Events

40.1 Not Applicable

42. Currencies

All payments will be made in Indian Rupees.

43. Retention

43.1 The total amount retained as retention money will be repaid to the contractor when the defect liability period has expired and the Engineer has certified that all defects notified by the Engineer to the contractor before the end of this period have been corrected.

43.2 The performance security equal to the ten percent of the contract price is repaid to the

contractor when the Defect Liability Period is over and the Engineer has certified that the contractor has satisfactorily carried out defects removal in the Defects Liability Period.

44. Liquidated Damages

44.1 The Contractor shall pay liquidated damages to the Employer at the rate of 1% of the contract price per week for each week that the Completion Date is delayed, for the inefficiency/fault on the part of the contractor, than the Intended Completion Date (for the whole of the works or the milestones as specified) subject to a maximum of 10% of the Contract Price. The Employer may deduct liquidated damages from payments due to the Contractor. Payment of liquidated damages shall not affect the Contractor's other liabilities.

44.2 If the Intended Completion Date is extended after liquidated damages have been paid, the Engineer shall correct any overpayment of liquidated damages by the Contractor by adjusting the next payment certificate.

44.3 The Employer may, without prejudice to any other method of recovery deduct the amount of such damages from any monies due or to become due to the Contractor. The payment or deduction of such damages shall not relieve the Contractor from his obligations to complete the Works or from any other of his obligations and liabilities under the Contract.

45. Advance Payment

No advance payment will be made before completion of work.

46. Securities

Within 10 (ten) working days after receipt of the Letter of Acceptance/Work Order, the successful Bidder shall deliver performance security

47. Cost of Repairs

47.1 Loss or damage to the Works or Materials to be incorporated in the Works between the Start Date and the end of the Defects Correction periods shall be remedied by the Contractor at his cost unless such damage arises from Employer's acts or omissions.

E. Finishing the Contract

48. Completion

48.1 The Contractor shall request the Engineer to issue a certificate of Completion of the Works, and the Engineer will do so upon deciding that the Works is completed and all defects have been remedied by the Contractor.

49. Taking Over

49.1 The Employer shall take over the Site and the Works within seven days of the Engineer's issuing a certificate of Completion.

50. Final Account

50.1 The Contractor shall supply the Engineers with a detailed account of the total amount that the Contractor considers payable for works under the contract within 21 days of issue of certificate of completion of construction of works. The Engineer shall issue a defect liability certificate and certify any payment that is due to the Contractor for works within 42 days of receiving the Contractor's account if it is correct and complete. If the account is not correct or complete, the Engineer shall issue within 42 days a statement that states the scope of the corrections or additions that are necessary. If the Account is still unsatisfactory after it has been resubmitted, the Engineer shall decide on the amount payable to the Contractor and

issue a payment certificate within 28 days of receiving the Contractor's revised account. The payment of final bill for construction of works will be made within 14 days thereafter, and shall be binding on the Contractor.

50.2 In case the account is not received within 21 days of issue of Certificate of Completion as provided in Clause 50.1 above, the Engineer shall proceed to finalize the account and issue a payment certificate within 28 days. The payment of final bill for construction of works will be made within 14 days thereafter.

51. Operating and Maintenance Manuals

Deleted

52. Termination

52.1 The Employer may terminate the Contract if the Contractor causes a fundamental breach of the Contract.

52.2 Fundamental breaches of Contract shall include, but shall not be limited to, the following:

- a) the Contractor stops work for 28 days when no stoppage of work is shown on the current Programme and the stoppage has not been authorized by the Engineer;
- b) the Contractor is declared as bankrupt or goes into liquidation other than for approved reconstruction or amalgamation;
- c) the Engineer gives Notice to correct a particular Defect and the Contractor fails to correct it within a reasonable period of time determined by the Engineer;

- k) if the Contractor fails to deploy machinery and equipment or personnel as specified in the Contract at the appropriate time.

52.3 Notwithstanding the above, the Employer may terminate the Contract for convenience.

52.4 If the Contract is terminated, the Contractor shall stop work immediately, make the Site safe and secure, and leave the Site as soon as reasonably possible.

53. Payment upon Termination

53.1 If the Contract is terminated because of a fundamental breach of Contract by the Contractor,

the Engineer shall issue a certificate for the value of the work done less liquidated damages, if any, less advance payments received up to the date of issue of the certificate, less recoveries due in terms of contract, less taxes due to be deducted at source as per applicable law and less the percentage to apply to the value of the work not completed, as indicated in the Contract , if the total amount due to the Employer exceeds any payment due to the contractor, the differences shall be recovered from the security deposit, and performance security. If any amount is still left un-recovered it will be a debt payable to the Employer. The percentage to apply to the value of the work not completed representing the Employer's additional cost for completing the Works shall be 25 % percent.

53.2 If the Contract is terminated at the Employer's convenience, the Engineer shall issue a certificate for the value of the work done, the reasonable cost of removal of Equipment, and the Contractor's costs of protecting and securing the Works and less advance payments received up to the date of the certificate, less other recoveries due in terms of the Contract, and less taxes due to be deducted at source as per applicable law.

54. Property

54.1 All Materials on the Site, Plant, Equipment, Temporary Works, and Works shall be deemed to be the property of the Employer for use for completing balance construction work if the Contract is terminated because of the Contractor's default, till the Works is completed after which it will be transferred to the Contractor and credit, if any, given for its use.

55. Release from Performance

55.1 If the Contract is frustrated by the outbreak of war or by any other event entirely outside the control of the Employer or the Contractor, the Engineer shall certify that the Contract has been frustrated. The Contractor shall make the Site safe and stop work as quickly as possible after receiving this certificate and shall be paid for all work carried out before receiving it and for any work carried out afterwards to which a commitment was made.

F. Other Conditions of Contract

56.1 The Contractor shall not disclose details of Drawings furnished to him and works on which he is engaged without the prior approval of the Engineer in writing. No photograph of the works or any part thereof or plant employed thereon, except those permitted under clause 58.1, shall be taken or permitted by the Contractor to be taken by any of his employees or any employees of his sub-Contractors without the prior approval of the Engineer in writing. No photographs / Video photography shall be published or otherwise circulated without the approval of the Engineer in writing.

57. The Apprentices Act 1961

57.1 The Contractor shall duly comply with the provisions of the Apprentices Act 1961 (III of 1961), the rules made there under and the orders that may be issued from time to time under the said Act and the said Rules and on his failure or neglect to do so he shall be subject to all liabilities and penalties provided by the said Act and said Rules.

- a) **Workmen Compensation Act 1923:** -The Act provides for compensation in case of injury by accident arising out of and during the course of employment.
