

West Bengal's First Ceramic Tile Manufacturing Unit in Panagarh

Shri Partha Chatterjee, Hon'ble Minister in Charge, Commerce and Industries, laid the Foundation Stone of H & R Johnson (India) (A division of Prism Cement Limited) Ceramic Tile Manufacturing unit at Panagarh Industrial park, Durgapur on June 7. H&R Johnson (India) has taken possession of 65 acres of land for setting up the manufacturing unit. This factory with a total investment of approx Rs. 450 Crores would be the 1st ceramic tile manufacturing factory in the organised sector not only in West Bengal but in the entire Eastern Region. It is expected that once the unit becomes operational it will have great potential for direct and indirect employment opportunities in phase wise manner. Besides, small and micro industries are also expected to set up ancillary industries to supply various materials and services. H&R Johnson (India) has planned for CSR activities in areas of health, education, safe drinking water, women empowerment. All these would result in improving the socio-economic scenario around the area and benefit one and all.
