

WBIDC participated in the Hannover Messe- 2011, from 4th April to 8th April 2011.

West Bengal Industrial Development Corporation Limited (WBIDC) participated in the Hannover Fair 2011 held at Hannover, Germany from 4th April 2011 to 8th April 2011.

Hannover Fair is the world's leading technology event. It brought together exhibitors from 65 different countries. The fair provided the world's largest and most important platform for showcasing Industrial technology. WBIDC Pavilion at the fair

comprised with five different companies operating in the state like Jai Balaji Industries Limited , SPS Steel, Matix Fertilisers & Chemicals Limited, Bhaskar Silicon (P) Limited, TIL Limited. This was an ideal platform for WBIDC and other companies to showcase their products and services under one umbrella and an opportunity to highlight industrial resurgence of the state.

The five day mega international event saw participation from a large number of visitors for knowledge sharing and business development. WBIDC Pavilion was also visited by large number of companies who enquired about products, services as displayed by different participating companies and also about the scope for setting up industries in West Bengal.
